Public Hearing-Budget

4-19-16 6:00 PM

Present: Mayor Bernard Barnes, Trustees Martin Callahan, James Castrucci and Gene Colorito

Absent: Trustee Connie Grant

Also: Fire Chief, Christopher Weaver

Public: Margaret DiGiacomo

The Hearing was called to order by Mayor Bernard Barnes and the salute to the flag was given

Public: Margaret DiGiacomo asked about the increase in the line for Audit and the budget officer replied that they now do the Annual Financial Report for an additional cost. Margaret then thanked the board for including a special line for overtime. She also questioned a couple of other personnel lines such as DPW administration, Machinery and Court Clerk. Budget officer answered that the DPW Administrator line is a portion of William Vicciarelli's salary, the other portion is under WWTP. The difference in Machinery line is due to the fact that the DPW workers spend more time doing things in that department and less in some of the others, therefore, that line was increased and one of the other DPW lines was decreased. In the matter of the Court Clerk, she is paid the same, however, the difference is in case she has longer Court nights or has to come in for a special case. She did not receive an increase in wages, she gets paid hourly. Margaret had no other questions.

Motion to adjourn was made by Trustee Colorito and seconded by Trustee Castrucci. All ayes. Closed at 6:10 PM
