Public Hearing-Cable Franchise

6:16 PM 4-19-16

Present: Mayor Bernard Barnes, Trustees Martin Callahan, Gene Colorito, and James Castrucci

Absent: Trustee Connie Grant

Also: Fire Chief Christopher, Supervisor, William Vicciarelli and Police Chief, Diana Callen

Public: Robert Failing Jr.

The public hearing was called to order by Mayor Barnes at 6:15 PM.

The Clerk read a summary of the Franchise Agreement (attached)

The Mayor said he would call Cohen Law Firm in the morning and tell them if cable goes across the track we want free service at the Marina and would like to have cable available to the Arduini Campsite area.

He said he would also like to see the contract for three (3) years, not ten (10) years. Reason is that the school is trying to get fiber optic and then we could use it too.

No other questions.

A motion to adjourn was made by Trustee Callahan and seconded by Trustee Colorito. All ayes.
