

Board of Trustees

Public Hearing

8-28-17

Community House 6:00PM

Present: Mayor Bernard Barnes, Trustee James Castrucci, Trustee Charles Straney

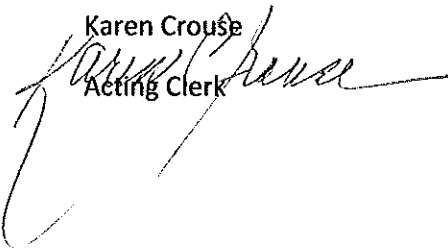

Public: Denise LaCoppola, Darlene DeVoe, Christopher Weaver

The meeting was called to order by Mayor Barnes and he explained the purpose of the Public Hearing, which was to hear public input for the playground in the Soldlers/Sailors Memorial Park. He introduced Darlene DeVoe, grant writer and administrator of the park project.

Darlene stated that she had the playground equipment information in by the end of August in order to have it ordered by September 1st. Work on the playground would then begin in October. The equipment will be ordered under State contract. Parkitects is the company that will do the work along with volunteers (DPW, village residents). Darlene stated that any monies not used to repair the stonewall in the park can be used toward the bathrooms at the park and the grandstands. She has submitted a grant application (CFA grant) for grandstand repair in the amount of \$200,000. The Village will have to do a 25% match. We should hear if we were awarded the grant sometime in November.

With no input from the public, Trustee Straney made a motion to adjourn, 2nd by Trustee Castrucci. All ayes. Meeting closed at 6:25 PM
