**Work Orders Completed**

<b><u>Work Order #</u></b>	<b><u>Location</u></b>	<b><u>Date</u></b>	<b><u>Est. Cost</u></b>
1200	Averill St.	4/12/2019	\$171.00

**Description of work done**

Sewer plugged under MH#101. Water bubbling up out of manhole on to street. This manhole is the junction from sewer line coming from Housing Authority. Ran both the sewer jetter and drain snake up the sewer to unclog the line. Discovered large amounts of wet wipes, diapers and grease balls which had a major factor in causing the clog. Line was unclogged and sewer was flowing freely without restriction.

<b><u>Work Order #</u></b>	<b><u>Location</u></b>	<b><u>Date</u></b>	<b><u>Est. Cost</u></b>
1015	Cemetary	4/24/2019	\$14.25

**Description of work done**

Laverne Weaver grave sinking (Section 17, Lot 1214, Site 6). Filled grave with topsoil level to ground.

<b><u>Work Order #</u></b>	<b><u>Location</u></b>	<b><u>Date</u></b>	<b><u>Est. Cost</u></b>
----------------------------	------------------------	--------------------	-------------------------

1016                      Cemetary                      4/24/2019                      \$14.25

**Description of work done**

Janet Fitzpatrick grave sinking (Section C, Lot 922, Site 2). Filled grave with topsoil level to ground.

**Work Order #**                      **Location**                      **Date**                      **Est. Cost**  
1201                      Village Wide                      4/25/2019                      \$71.25

**Description of work done**

Cleaned any debris away from storm drain grates throughout village.

**Work Order #**                      **Location**                      **Date**                      **Est. Cost**  
1017                      Cemetary                      4/25/19                      \$38.50

**Description of work done**

Tire tracks on Lot 1136, Section 14 (Patricia Heath) needed to be filled in. Tracks were created during burial for Patricia Heath on 4/20/2019 due to heavy rainfall and saturated ground. Tracks were filled in with topsoil and tamped level. Smoothed out any rough spots and spread grass seed.

**Work Order #**                      **Location**                      **Date**                      **Est. Cost**  
1202                      Community House                      4/26/19                      \$42.75

**Description of work done**

Received call from Mayor Straney stating there was a leak on the 2nd floor of the Community House. It was discovered that there was a clogged roof drain on the SE roof of the main building. Unplugged the roof drain from debris and buildup. There was a small tree growing inside of the drain. Cleared away all debris so water could drain off of the roof freely without obstruction or backing up.

**Work Order #**                      **Location**                      **Date**                      **Est. Cost**  
1203                      Community House                      4/30/19                      \$52.25

**Description of work done**

"No Overnight Parking" sign needed new sign post at Community House. Old post was broken last winter while plowing snow. Replaced with new 8' U-channel sign post and mounted existing sign board to new post.

**Work Order #**                      **Location**                      **Date**                      **Est. Cost**  
1204                      DPW                      4/30/2019                      \$144.49

**Description of work done**

Battery on 2001 Ford F-550 needed replacing. Old battery would not hold a charge. Battery was last replaced in 2009. Replaced old battery with new one at mileage 43,907.

**Work Order #**                      **Location**                      **Date**                      **Est. Cost**  
1205                      Lion Ave/Hough St                      4/30/2019                      \$21.38

**Description of work done**

Received requests from residents of Lion Ave and Hough St asking for "Children at Play" and "Watch Children" signs be put up to alert passing motorists of kids playing outside. Mounted "Children at Play" sign on telephone pole on Lion Ave and "Watch Children" sign on telephone pole on Hough St.

<u>Work Order #</u>	<u>Location</u>	<u>Date</u>	<u>Est. Cost</u>
1019	Marina Campground	5/6/2019	\$7.13

**Description of work done**

Was told by Harbor Master that campsite #4 had too much water pressure. Upon investigation it was discovered that pressure reducer was cracked which did not allow it to reduce water pressure properly. Camper at site #4 purchased his own adjustable pressure regulator to reduce his pressure accordingly as he deems appropriate.

<u>Work Order #</u>	<u>Location</u>	<u>Date</u>	<u>Est. Cost</u>
1206	Marina Campground	5/14/19	\$56.75

**Description of work done**

Campsites #5 and #7 needed crusher run added to them to smooth out low spots from settling. Added crusher run to each site. Smoothed out and levelled accordingly.

**Additional past month projects**

- 11-Apr Installed water meter and turned water on @ 11 Church St. for Aubrey Cheyne.
- 11-Apr Leaf pickup throughout village
- 11-Apr Yard debris pickup throughout village.
- 11-Apr Hung "SPRINGFEST" sign across Bridge St. as requested by St.J Chamber of Commerce.

- 14-May Randy Conrad to WWTP today.
- 14-May Washed and cleaned interior and exterior of 2001 Ford F-550 dump truck.
- 14-May Washed and cleaned interior and exterior of 2014 Ford F-550 dump truck.
- 15-May Well house generator repaired by Stewart & Stevenson at 956 hours on hour meter.

**Upcoming projects**

- Continuing with getting the cemetary and Soldiers & Sailors Park ready for Memorial Day. We have been mowing and trimming regularly at both places and things are shaping up.
- Continuing with regular upkeep on village properties. This includes, but not limited to, mowing and trimming.
- Regular scheduled maintenance on Village vehicles and equipment.
- Putting docks out at the marina when the Canal Authority comes through to assist us with setting the poles.
- Repairing the broken commercial water line on S. Division St. We needed to wait to repair because the old National Grid power pole was in the way of our digging. The pole has since been removed and we can start after Memorial Day.
- Sewer manhole on E. Liberty St. needs to be repaired and rebuilt. We will repair this as soon as we fix the broken water line on S. Division St.
- Sewer manhole on E. Main St. needs to be repaired and rebuilt. We will repair this as soon as we fix the broken water line on S. Division St. and sewer manhole on E. Liberty St.
